

Currently Approved Teacher Training Programs (as of November 2020)

We understand that qualified Orton-Gillingham teacher training courses may become available throughout the calendar year that we may not be aware of and/or may not have listed at the present time. If the training center or class that you are interested in applying to is not listed below, please contact us at ksmoidascholarships@gmail.com at least one month in advance of the course start date. Please allow one month for the committee to contact the center to determine if the course meets IDA standards. However, there is no guarantee that this program will be approved unless the teacher training program/course meets IDA standards. Please review the Teacher Training Scholarship Guidelines document at <https://ksmo.dyslexiaida.org/> for complete details. Current scholarships are available up to \$1500 per course, not to exceed the cost of the class and required materials.
